Hi Amber,

Can you work with Diane to set up a meeting on Woodbrook about a remedy re-evaluation and compliance issues with a PCB soil cleanup proposed at the site. Kevin's and Greg's schedules are up to date in Outlook, and I'll attend if possible. I mentioned this one to you briefly and Diane and her folks would like to meet as soon as possible. I'll send along some background too.

Thanks,
Fred

Hello Diane,
Rather than me scheduling the meeting you have requested, I am asking Fred Mumford or have an assigned Site Manager to take the lead on scheduling the meeting. I am out on vacation 10/4 & 5.
